Dear Sir or Madam

Thank you for your letter of 6 November and for the attached documents.

We are a rapidly growing and fast expanding company, and we are in connection with hundreds of Hungarian partners. Your advertisement was interesting, and we want to introduce your products in Hungary. We would like to order in large quantity. Could you give us some discount from your prices?

Please send us a brochure about your products and a price list.

We look forward to hearing from you.

Yours faithfully,
Tamas Fersch
